

# The Champ

## American Gypsy

Your big comeback,  
Baby youâ€™re the champ!

Itâ€™s gonna be,  
Your big comeback,  
Baby youâ€™re the champ!

I remember when,  
You had so many friends,  
Everybody always,  
At your beckon call.  
Soon as youâ€™re alone,  
They all let you go,  
Now youâ€™ve got nobody at all.  
Donâ€™t you realize,  
Youâ€™ve paid the price?  
Thereâ€™s no other way.  
Know that they were wrong,  
You had it all along,  
So sure one day youâ€™re gonna make,

Your big comeback,  
Baby youâ€™re the champ!  
Itâ€™s gonna be,  
Your big comeback,  
Baby youâ€™re the champ!

The stage is set,  
Youâ€™re ready to return,  
Youâ€™ve made a few mistakes,  
And finally youâ€™ve learned,  
Reaching to the top,  
Youâ€™re always on display,  
Itâ€™s easy to get burned,  
After you survive,  
Youâ€™ve paid the price,  
Thereâ€™s no other way.  
Now the coast is clear,  
You can feel itâ€™s near,

So sure one day youâ€™re gonna make,

Your big comeback,  
Baby youâ€™re the champ!  
Itâ€™s gonna be,  
Your big comeback,  
Baby youâ€™re the champ!?
