

I Don't Want to Talk About It

Everything But the Girl

I can tell by your eyes that you've prob'ly been cryin' forever
And the stars in the sky don't mean nothin' to you, they're a mirror I don't wanna talk about it, how you broke
my heart
If I stay here just a little bit longer
If I stay here, won't you listen to my heart, oh, my heart? If I stand all alone, will the shadow hide the colors of
my heart
Blue for the tears, black for the night's fears
The stars in the sky don't mean nothin' to you, they're a mirror I don't wanna talk about it, how you broke my
heart
If I stay here just a little bit longer
If I stay here, won't you listen to my heart, oh, my heart?
