Kill For A Dream (Roma, Atlantico 2011 Oct.07)

Beady Eye

Life's too short not to forgive
You can carry regrets but they won't let you live
I'm here if you wanna call
Staring at the spot on the wallIt's a beautiful world when you know who you are
You're moving too fast in the back of a car
You're giving it another try
Standing at the deep blue skyAnd you say to the driver, just drive
'Cause you've never felt so aliveWe open the door and let out the sound
All that we heard was a dream rebound
I'm bouncing off walls right here in my mind
I'd kill for a dream tonightA looking glass heart thrown at the wall
You don't see me but I see it all
It smells so sweet but it's wrong
And everything pretty is goneWell, here's my glass and here's one for you
'Cause these dark glasses need something to do
You're giving it another try
Standing at the deep blue skyAnd you say to the driver, just drive
'Cause you've never felt so aliveWe open the door and let out the sound
All that we heard was a dream rebound
I'm bouncing off walls right here in my mind
I'd kill for a dream tonightI'd kill for a dream tonight
I'd kill for a dream tonight
I'd kill for a dream tonight
