

# A Little Love

## Blutengel

Feeling like a little child  
Crying out for its mother  
I'm sitting here alone  
And I miss you ... so much  
The funny thing is--I don't know who you are ...  
This feeling inside will surely kill me someday  
I don't know when this feeling will go away  
I wash away my tears  
'cause I don't want nobody to see me cry  
But I can't help myself  
As long as I don't know who you are  
This empty space inside my soul is the place for you  
But I realize in every night--it will be empty foreverI just want to feel a little love someday...
