

The Pledge (Hanz On, Streetlife)

Method Man

Yeah pledge allegiance with the stand
One nation with liberty & justice for all After this make sure that you never forget me
Streetlife mention me amongst the greatest of mc's
The brand I represent, stands for excellence
Loyalty is the main ingredient
They anointed me president
Consistency is the recipe for longevity
My history will be my legacy when they bury me
Its evident to prove my rap pages is evidence
20 years later in the game, still relevant
Pain is my motivation, love is the dedication
Family is the foundation & street is my education
I pledge allegiance to the meth lab, one nation under god
This year is my inauguration I pledge allegiance, to the flag of
The United Staten Island association
We are the republic, that will leave
You laying exactly where you stand
One nation under the Meth Lab, with all
The piffery & unlimited dutches & backwards for all
