

# Out Of The Storm (C's Planet E Special Mix)

## Incognito

It's hard to believe, that a year's gone by  
Feels like yesterday  
Strange as it seems, I knew back then, I'd feel this way today  
The road is long, there'll always be wild winds  
blowing  
(One thing you gotta know)  
Beyond the clouds there's nothing but blue skies  
Hey, hey, hey, hey [Chorus]  
Out of the storm, come on in out of the rain  
Out of the storm  
Out of the storm, come on in out of the rain  
Out of the storm  
You try to slow down, but you lose control, like a runaway  
A voice in your mind, lets you know, this feeling's here to stay  
Don't turn around, look straight up ahead, keep  
movin`  
(One thing you gotta know)  
Beyond the clouds there's nothing but blue skies  
Blue skies [Chorus]  
Got so much to give you, I got so much to give you  
Got so much to give you, I got so much to give you  
Baby  
The road is long, there'll always be wild winds blowing  
(One thing you gotta know)  
Beyond the clouds there's nothing but blue skies  
Baby [Chorus]  
Got so much to give you, I got so much to give you  
Got so much to give you, I got so much to give you
