Easy

Demetria McKinney

Every man want some
Even some of these females
Let me give you details
These red bottoms turn heads when I walk through
best come correct or I ain't for youI took my time on this makeup
I worked real hard for this paper
So I know my worth
Boy you got to put me firstI ain't no stuck up chick I ain't picky
I just want what's best for me
I can't let nobody get the best of me
Part-time love ain't my destiny
No, I ain't no stuck up chick
I ain't picky
I just want what's best for me
I can't let nobody get the best of me
Unless they want the best for meBaby, You and I
We can be together we can ride or die
It just ain't that easy
That easyWanna to be my number one
We can be together we can fall in love
It just ain't that easy
that easyNowadays is so hard to find real love If you find somebody true you better keep 'em
Hold on tight don't let go especially if they special
It ain't about how you Flex or always about the sex
If you can keep it a hunnid then you can keep my respect
I'll cook for ya, clean for ya, anything you need for ya
Button-down starched neat for ya
I ain't no stuck up chick
I ain't picky
I just want what's best for me
I can't let nobody get the best of me
Part-time love ain't my destinyOh I ain't no stuck up chick
I ain't picky
I just want what's best for me
I can't let nobody get the best of me Unless they want the best for meBaby You and I
we can be together together
we can ride or die
It just ain't that easy
That easyWant to be my number one

We can be together
we can fall in love
it just ain't that easy
It ain't that easy (it ain't, it ain't)Light up your cigar
set it off in the car
It's amoving violation sirens and alarm
Struck me like a guitar
did I take it too far
Just want to show the type of things that I do for the boyI am stuck up chick
I ain't picky
I just want what's best for me
I can't let nobody get the best of me part-time love ain't my destinyOh I ain't no stuck up chick
I ain't picky
I just want what's best for me
I can't let nobody get the best of me
Part-time love ain't my destiny
Baby You and I
We can be together we can ride or die
It just ain't that easy
(It ain't, it ain't)
Wanna be my number one
We can be together
We can fall in love
It just ain't that easy
It ain't, it ain't
It just ain't.. It ain't, it ain't
