

Breathe In Deep (feat. Fiora)

Armin van Buuren

I, breathe in deep

Breathe in deep

Breathe in deep

I, breathe in deep

Breathe in deep

Breathe in deep

I, breathe in deep

Sleep till the sunlight washes in

And the smell of skin throws light up into my face

And the touch of you throws light on the darkest place

I, breathe in deep

Breathe in deep

Breathe in deep

I can breathe when you're near to me

I can breathe when you're near to me

I can breathe...
