Born Again

Third Day

Well, today I found myself

After searching all these years

And the man that I saw

He wasnt at all who I thought hed beI was lost when You found me here

And I was broken beyond repair

Then You came along

And You sang Your song over meIt feels like I'm born again

It feels like I'm living

For the very first time

For the very first time in my lifeMake a promise to me now

Reassure my heart somehow

That the love that I feel

Is so much more real than anything Ive a feeling in my soul

And I pray that Im not wrong

That the life I have now

Is only the beginningIt feels like I'm born again

It feel like I'm living

For the very first time

For the very first timeIt feels like Im breathing

(It feels like I'm born again)

It feels like I'm moving

(It feels like I'm living)

For the very first time

(For the very first time)

For the very first time

(For the very first time)I wasnt looking for something that was more

Than what I had yesterday

Then You came to me and You gave to me

Life and a love that I never known, that I never felt beforeIt feels like I'm born again

(Feels like I'm born again)

It feel like I'm living

(It feel like I'm living)

For the very first time

(For the very first time)

Im living for the first time

(For the very first time)It feels like Im breathing

(It feels like I'm born again)

It feels like I'm moving

(It feels like I'm living)

For the very first time
(For the very first time)
Im living for the first time
(For the very first time)
In my life
