

Perfect Christmas

S Club 7

Doo, doo, doo

Doo, doo, doo

Doo, doo, doo

Hello friend, it's me again, I just called to tell you
Even though I miss you so, I've been thinking of you

All my dreams are coming true, at last

The perfect ending to a wonderful year

Will be to celebrate the good times with you here

'Cuz, I know for sure, I never wanted anything more

The greatest gift that there could be

Wrapped underneath my Christmas tree

Would be the same my whole life through

I'd spend the perfect Christmas with you

Though the winter seems so long

My faith in love has kept me strong

So if I had a wish come true

I'd spend the perfect Christmas with you

I can't wait till the day when I finally see you

So hold on, I won't be long, got so much to show you

All our dreams are coming true at last

The perfect ending to a wonderful year

Would be to celebrate the good times with you here

'Cuz, I know for sure, I never wanted anything more

The greatest gift that there could be

Wrapped underneath my Christmas tree

Would be the same my whole life through

I'd spend the perfect Christmas with you

So when you ask me what I mean

To me the Christmas is complete

Boy, can't you see, you're the one thing missing for me

The greatest gift that there could be

Wrapped underneath my Christmas tree

Would be the same my whole life through

I'd spend the perfect Christmas with you

Though the winter seems so long

My faith in love has kept me strong

So if I had a wish come true

I'd spend the perfect Christmas

And if I had one wish come true
I'd spend the perfect Christmas here with you

Doo doo doo

Doo doo doo

Doo doo doo

...
