Anymore

Classy Silhouette

I don't know if
I want to go with you
Anymore
I'm not sure if
I'm in love with you
Anymore
I don't want to break your heart
but I should have known it from the start
That the feelings weren't mutual
Oh no oh-oh
I don't want to live a lie
I don't want to say goodbye
I don't want to make you cry
So why oh why
I...I...I...
I don't know if I want to go with you
I don't know if I'm in love with you
But I do know
Your kisses feel so good
When your loving me
It's the way it should be
Intimately
I don't know if
I want to go with you
Anymore
I don't know if
I'm love with you
Anymore
Anymore
Oh I'm not sure
(I don't want to live a lie
I don't want to say goodbye) 2xs in background
Let me make up my mind
Baby give me some time
I don't know
Let me make up my mind
Baby give me some time
I don't know if
I don't want live a lie

I don't want to say goodbye
