Unluck

James Blake

Treated walls care for me
When crossings call out one of three

Treated walls care for me

When crossings call out one of threeOnly child, take good care I wouldn't like you playing, falling thereTreated walls care for me

When crossings call out one of three

Treated walls care for me

When crossings call out one of threeOnly child, take good care
I wouldn't like you playing, falling there

Only child, take good care

I wouldn't like you playing, falling thereOnly child, take good care
I wouldn't like you playing, falling there

Only child, take good care

I wouldn't like you playing, falling thereOnly child, take good care
I wouldn't like you playing, falling there

Only child, take good care

I wouldn't like you playing, falling thereOnly child, take good care
I wouldn't like you playing, falling there

Only child, take good care

I wouldn't like you playing, falling thereOnly child, take good care
I wouldn't like you playing, falling there

Only child, take good care

I wouldn't like you playing, falling thereOnly child, take good care
I wouldn't like you playing, falling there

Only child, take good care I wouldn't like you playing
