

# Fall

## Ironica

On the edge of something real  
I have a choice, but I don't know what to feel  
    Getting tired of all this fear  
Before I choose, let me know that you'll be here  
    Let me know that you'll be here  
    Cause I'm not afraid to fall  
    If you're the one who catches me  
    Tell me that you'll be there when I'm  
        About to lose it all  
    Cause you're the one who helps me see  
        That sometimes it's ok to fall  
    When I'm far away from where you are  
    It's ok, cause we're under the same stars  
    I'm laying down this heavy load  
    Maybe now I can finally let this go  
        I can finally let you know  
        But I'm not afraid to fall  
    If you're the one who catches me  
    Tell me that you'll be there when I'm  
        About to lose it all  
    Cause you're the one who helps me see  
        That sometimes it's ok

    To fall Oh Oh  
    To fall Oh Oh  
    To fall Oh oh  
        To fall  
    To fall Oh Oh  
    To fall Oh Oh  
    To fall Oh Oh  
        To fall  
    Not afraid to fall  
    If you're the one who catches me  
    Tell me that you'll be there when I'm  
        About to lose it all  
    Cause you're the one who helps me see  
        That sometimes it's ok to fall  
    Oh Oh Oh (Cause I'm not afraid to fall)  
    Fall Oh Oh Oh (If you're the one who catches me)

That sometimes it's ok to fall  
When I'm about to lose it all  
You're the one who helps me see  
That sometimes it's ok  
It will be okay  
That sometimes it's ok, to fall  
I'm gonna fall
