

Evil Eye

Fu Manchu

6 hours before
With an evil grin
Better brace yourself
Straightaway or winCall power slide
Separates them all
Never touchin' the brake
UnapproachableEvil eye has set his plan
Erasin' all
Evil eye has set his plan
Erasin' allPushed through the floor
Halfway through the turn
As we ride up high
The dirt starts to burnWheels of his heap
Hits the backstreet wall
Evil eye has signaled
UnapproachableEvil eye has set his plan
Erasin' all
Evil eye has set his plan
Erasin' allEvil eye will fall
