

# Pollen

## HouDINNE

You've got pollen on your nose

Where've you been? Where've you been?

Pretty pretty bunch, i'll take a dozen of those

You've got pollen on your noseI want love in the afternoon (x4)You've got pollen on your nose

Where've you been? Where've you been?

We make the dirt go flying with the shovels and hoes

You've got pollen on your noseI wait and see if you'll give it to me (x4)You've got pollen on your nose

I've been leaking like a garden hose
