Yo yo confused but yet wise my problem surrounds me  
A lot of things upset me as my soul rejects me  
Enemy of my self physical.....listen, let me tell you about..  
Yo yo confused but yet wise my problem surrounds me  
A lot of things upset me as my soul rejects me  
Enemy of self physically enslaved  
By the luxuries of this world so I behave  
Like a man inside the grave  
Who's life is lost  
I want the promised gold but can't afford the cost  
Or could I, I know the prescribed laws  
Any effect is a result of the cause  
Of lies and delusions to myself I have lied  
Burning inside wanting to open wide  
And scream  
The name of the supreme  
But I'm trapped in this world  
Lusting for girls  
Therefore I imagine a genie and a wish  
And searching for things that just does not exist  
But in the midst there's the answer for which I have searched  
Cause from me springs divine prince rakeem  
And that is me the master of equality  
With the ability  
To set myself free  
But b.o.b.b.y  
He don't want to die,  
He don't want to die he don't want to try  
So I'm forced to cry  
And get trapped up for living my life inside a lie  
These problems surround me  
A lot of things upset me  
As my soul rejects me  
Enemy of my self physically enslaved  
By the luxuries of this world so I behave  
Like a man inside the grave  
Who's life is lost  
I want the promised gold but I can't afford the cost  
Or could I, I heard of the prescribed laws

Any effect is a result of the cause  
Of lies and delusions to myself I have lied  
Burning inside and wanting to open wide  
And scream  
The name of the supreme  
But I'm trapped in this world  
I'm lusting for girls  
Before I imagined a genie and a wish  
And I'm searching for things that does not exist  
But in my midst there's the answer  
For which I have searched  
Cause from me springs the divine prince rakheem  
And that is me the master of equality  
Give myself the opportunity  
And set free and be all I can be  
Be all I can be  
And not a nigga just trapped up in luxury  
Yo bobby digital got to get knowledge of his self right now,  
As we go through the struggle of life we got to go from boy to man  
We start off as sperm to baby baby to man from man to dead man  
And from dead man back to sand  
All praises due to allah the most high word up  
I got to be free I got to be free I got to break free  
I got to break free I got to break free I got to break.....
