

My Head Hurts

Wavves

{Intro}(Whooo)
(Whooo){Verse}I can't concentrate
My brain's damaged over you
(Whooo)
I'm saying stupid things
I bet she doesn't know my name
(Whooo){Chorus}But my head hurts
And without you it's worse{Verse}I want you to take
Shott me deeply into your veins
I want you to come
Breathe me deeply into your lungs{Chorus}But my head hurts
And without you it's worse
Suffucating on my own
You're killing me
I hope you know{Bridge}I don't exist
I don't exist
(Whooo)
I don't exist
I don't exist
(Whooo){Chorus}But my head hurts
And without you it's worse
Suffucating on my own
You're killing me
I hope you know{Outro}I hope you know
I hope you know
I hope you know
I hope you know
(My head hurts)
I hope you know
I hope you know
(My head hurts)
I hope you know
I hope you know
