

# Could This Be Real

## Sub Focus

I've seen it always in my dreams  
I tried so hard so you'd believe  
But now that I'm gone  
I'm feeling like this could be real  
I'm feeling like this could be real  
I'm feeling like this could be real  
Now that I'm gone  
I'm feeling like this, feeling like this Feeling like this But now that I'm gone  
I'm feeling like this, feeling like this Feeling like this I'm feeling like this could be real  
I'm feeling like this could be real  
I'm feeling like this could be real Now that I'm gone  
I'm feeling like this, feeling like this Feeling like this But now that I'm gone  
I'm feeling like this, feeling like this Feeling like this
