

# Six Feet Under the Stars (Acoustic)

## All Time Low

Time to lay claim to the evidence  
Fingerprints sell me out but our footprints' washed away  
From the docks downtown  
It's been getting late for days  
And I feel myself deserving of a little time off We can kick it, hang for hours  
And just mouth off about the world  
And how we know it's going straight to hell Pass me another bottle, honey  
The Jager's so sweet  
But if it keeps you around, then I'm down Meet me on Thames Street, I'll take you out  
Though I'm hardly worth your time  
In the cold you look so fierce  
But I'm warming up because the tension's like a fire We'll hit South Broadway in a matter of minutes  
And like a bad movie I'll drop a line  
Fall in the grave I've been digging myself  
But there's room for two, six feet under the stars I should have known better than to call you out  
(On a night like this, night like this)  
If not for you, I know I'd tear this place to the ground  
(But I'm alright like this, alright like this)  
I'm gonna roll the dice before you sober up and get gone  
I'm always in over my head Thames Street, I'll take you out  
Though I'm hardly worth your time  
In the cold you look so fierce  
But I'm warming up because the tension's like a fire We'll hit South Broadway in a matter of minutes  
And like a bad movie I'll drop a line  
Fall in the grave, I've been digging myself  
But there's room for two, six feet under the stars Time to lay claim to the evidence  
Fingerprints sell me out  
But our footprints' washed away  
I'm guilty but I'm safe for one more day Overdressed and underage  
Do you really need to see an ID?  
This is embarrassing as hell  
But I can cover for it so well  
When we're six feet under the stars Thames Street, I'll take you out  
Though I'm hardly worth your time  
In the cold you look so fierce  
But I'm warming up because the tension's like a fire We'll hit South Broadway in a matter of minutes  
And like a bad movie I'll drop a line  
Fall in the grave I've been digging myself  
But there's room for two, six feet under the stars Six feet under the stars
