

# Love Is More Than a Wedding Day

Cody ChesnuTT

It's more than a checkbook, yes  
And it's more than the hottest look now  
So much more than a bouquet  
Like jubilee on a first day honey yea  
And it's more than ego man  
In the end love, love is more than a wedding day  
It's more than a green light tag  
So much more than a one night stand  
So much more than the slithering  
And the trick and trade that's fallen hard upon the man  
And it's more than ego man  
In the end love, love is more than a wedding day  
You can't walk away when it gets a little heavy now  
It's more than a honey moon  
More than a good credit score and a summer cruise yea  
So much more than the tambourine  
That sprinkle melodies in love to hear the quiet sing  
And it's more than you gon let in  
Love is more than a wedding, more than a wedding  
So much more love is  
More than a wedding day  
Love is more than a wedding day  
You can't walk away when it gets a little heavy now  
I pray, Lord knows I pray  
You can't walk away when it gets a little heavy now  
Said it's more than a green light tag  
So much more than a one night stand  
So much more than stammering  
And the trick and trade, the stolen heart upon the line  
And it's more than you gon let in  
Love is more than a wedding, more than a wedding  
So much more, more than a wedding, more than a wedding  
So much more, more than a wedding  
Baby I believe it's much more  
(Love is more, love is more than a wedding day)  
I believe, I believe  
(Love is more, love is more than a wedding day)  
Since we made it  
(Love is more, love is more than a wedding day)  
Yes love, we made it  
(Love is more, love is more than a wedding day)  
I still, I still love you, we made it  
(Love is more, love is more than a wedding day)

Said we made it baby yea  
Since we made it home through this land it's all done  
(Love is more, love is more than a wedding day)  
More than a wedding day  
(Love is more, love is more than a wedding day)  
I I con-confess it's more than all this world  
More than all my selfishness  
(Love is more, love is more than a wedding day)  
More than all, more than the music I could imagine  
(Love is more, love is more than a wedding day)  
And you strip night on the floor  
Love is (I believe, I believe)  
Do you believe?  
(I believe) that love it's more  
(I believe) that it's so much more  
(I believe, I believe)  
(I believe, I believe) this is what I gotta say This is for those who thought they couldn't make it through  
(I believe, I believe)  
That thought about giving up  
(I believe, I believe)  
That thought about throwing in the towel  
(I believe, I believe)  
This is for those who didn't know what to think, do when they found themselves in the most challenging hour  
(I believe, I believe)  
Yes baby  
(I believe, I believe)  
I see us trying to make it  
(I believe, I believe)  
Trying to hold on  
Doing it, doing it, doing it, doing it  
(I believe, I believe)  
For the love  
(I believe, I believe)  
Cause we still got some memories  
(I believe, I believe)  
Confidential work is steady  
(I believe, I believe)  
Confidential love  
(I believe, I believe)  
Confidential love  
(I believe, I believe)  
Confidential love  
(I believe, I believe)  
In Confidential love  
Confidential love

(I believe, I believe)  
And it's so much more(Love is more than a wedding day)  
I believe, I believe, I believe  
(Love is more, love is more than a wedding day)  
Now hold on now  
I'll be with you  
(Love is...)
