Northern Sky

Nick Drake

I never felt magic crazy as this
I never saw moons, knew the meaning of the sea
I never held emotion in the palm of my hand
Or felt sweet breezes in the top of a tree
But now you're here, brighten my northern skyI've been a long time that I'm waiting
I've been a long time that I'm blown
I've been a long time that I've wandered
Through the people I have knownOh, if you would and you could
Straighten my new mind's eyeWould you love me for my money?
Would you love me for my head?
Would you love me through the winter?
And would you love me 'til I'm dead?Oh, if you would and you could
Come blow your horn on highI never felt magic crazy as this
I never saw moons, knew the meaning of the sea
I never held emotion in the palm of my hand
Or felt sweet breezes in the top of a tree
But now you're here, brighten my northern sky
