

Mowgli's Road

Marina and The Diamonds

Ten silver spoons coming after me
One life with one dream on repeat
I'll escape if I try hard enough
'Til king of the jungle calls my bluff(Oh Lord)
 Oh Lord, I have been told
 (I have been told)
 That I must take the unforsaken road
(Unforsaken road)There's a fork in the road, I do as I am told
 And I don't know, don't know,don't know,don't know
 Who,Who I wanna beYou say Y-E-S to everything
 Will that guarantee you a win?
 Do you think you will be good enough
 To love others and to be loved?(Oh Lord)
 Oh Lord, now I can see
 (Now I can see)
 The cutlery will keep on chasing me
(Unforsaken road)There's a fork in the road, I do as I am told
 And I don't know, don't know, don't know, don't know
 Who,Who I wanna beWe are the spoons, they're telling me
 We scooped our way into your dreams
 To knock the knives out bloody cold
 And lead you down the unforsaken road(Unforsaken road)
 There's a fork in the road, I do as I am told
 And I don't know, don't know don't know don't know
 Who,Who I wanna be
