Siberian Khatru

Yes

Sing, bird of prey
Beauty begins at the foot of you
Do you believe the manner?Gold stainless nail
Torn through the distance of man
As they regard the summitEven Siberia goes through the motions
Hold out and hold up
Hold down the window
(Outbound, river)

Hold out the mornin' that comes into view (Blue tail, tail fly)

River runnin' right on over my headHow does she sing? Who holds the ring?

And ring and you will find me comingCold reigning king Hold all the secrets from you

As they produce the movementEven Siberia goes through the motions

Hold out and hold up Hold down the window (Outbound, river)

Hold out the mornin' that comes into view (Blue tail, tail fly)

River runnin' right on over the outboard River, blue tail, tail fly, Luther, in timeHold down the window Hold out the morning that comes into view

Warm side, the tower

Green leaves reveal the heart spoken khatruGold stainless nail

Torn through the distance of man

As they regard the summitCold reigning king

Shelter the women that sing

As they produce the movementRiver running right on over then over my head (Outboard, river)

Blue tail, tail fly, Luther, in time
Sun tower, asking, cover, loverJune cast, moon fast as one changes
Heart gold leaver, soul mark mover
Christian changer, called out savior

Moon gate climber, turn round glider
