

Me Myself & I

Boyz II Men

I wanna know the girl in the other coach
Show you anything you wanna see
Fly anywhere you wanna go
I'll take you to New Orleans
I'll take you to Tokyo
But there's different scoots for different fox And I know you love girl
Girl I know you wanna stay
But it won't be long
Just stay for today
Thou we die here, under two lovers
Know they're different fox, more different fox Let's get that sound together
Time to back up fast
I came for this game
Promise is not promise, no tomorrow is not promise
To make this a holiday
So let's make this a holiday Don't be running out 'cause ain't nobody out
But me, myself and I
Just me, myself and I
Is just the three of us
And no one else
Just me, myself and I
So let's make this you and I, girl Girl I must go catch
You got me so impress
Saw you sexiness and you bring more, is in your way
Let's have some fun tonight, feeling all so right
You girl just come with me
I promise I'll never leave So let's get that sounds together
Time to back up fast
I came for this game
Promise is not promise, no tomorrow is not promise
To make this a holiday
So let's make this a holiday Don't be running out 'cause ain't nobody out
But me, myself and I
Just me, myself and I
Is just the three of us
And no one else
Just me, myself and I
So let's make this you and I, girl Don't be running out 'cause ain't nobody out
But me, myself and I

Just me, myself and I
Is just the three of us
And no one else
Just me, myself and I
So let's make this you and I, girl
You ready? Let's go!
