

# Give a Little, Take a Little

**Hank Thompson**

Give a little take a little take a little kiss from me  
Take a little give a little give a little kiss to me  
You're the one the only one the girl I'm thinking of  
Now don't you be afraid let's make a little trade  
Let's give a little take a little love  
Give a little take a little won't you give your heart to me  
Take a little give a little I will give you mine you see  
Don't be shy you know that I am true as the stars above  
So come into my arms let's share each other's charms  
Let's give a little take a little love  
[ fiddle - guitar ]  
Give a little take a little take...
