

Coming Out Of The Dark

[Jon Secada](#)

Why be afraid if I'm not alone
Though life is never easy the rest is unknown
Up to now for me it's been hands against stone
Spent each and every moment
Searching for what to believe

Coming out of the dark, I finally see the light now
It's shining on me
Coming out of the dark I know the love that saved me
You're sharing with me

Starting again is part of the plan
And I'll be so much stronger holding your hand
Step by step I'll make it through I know I can
It may not make it easier but I have felt you
Near all the way

Coming out of the dark, i finally see the light now
And it's shining on me (I see the light, I see the light)
See the light
Coming out of the dark I know the love that saved me
You're sharing with me

Forever, forever I stand on the rock of your love
Forever and ever I'll stand on the rock
Can't nobody stop me from watching
Forever, forever I stand on the rock of your love
Love is all it takes, no matter what we face

Coming out of the dark, (Coming out of the dark)
I see the light, I feel love shinning on me (Shining, shining)
Shining on me
Coming out of the dark I know the love that saved me
You're sharing, you're sharing with me, sharing with me, sharing with me

Coming out of the dark,
Making it into the light
Your love shining on me, shining on me, shining on me
Coming out of the dark,
I see the light, I see the light

Shining, shining, shining on me
Shining, shining
Coming out of the dark
I see the light now
Yes I see the light
