Magdalene

Boston

I, I know I'm a dreamer
It's easy to see, I want to be a believer
And fly right through the air
Now I'm wide awake, I want you to take me thereThe things that you told me
I don't know if I was dreaming
And dreams aren't enoughLife is so lonely
I need someone to believe in
Are you in love?
Can't you see that's everything to me
That's enoughMagdalene, let me hear it said so I am sure
Answer me, can't you see that's all I'm waitin' for?
Here I am on my knees once more, MagdaleneTime must lead you somewhere
I don't want to wait
I know you can take me thereThe way that you hold me
I don't know if I was dreaming
And dreams aren't enoughLife is so lonely
I need someone to believe in
Someone to love
Can't you see that's everything to me
That's enoughMagdalene, let me hear it said so I am sure
Answer me, can't you see that's all I'm waitin' for?
Here I am on my knees, I'm begging, begging you please
Magdalene, Magdalene, ohhMagdalene, let me hear it said so I am sure
Answer me, can't you see that's all I'm waitin' for?
Here I am on my knees, oh, I'm begging you please, MagdaleneMagdalene, Magdalene, Magdalene
