

Losing Eyeballs

Secret Dakota Ring

Closing time
I won't go
Forget the lies
It don't show

And I try
Yeah I try to let it go
Yeah I try
Oh I try to let it go

I put 42
on 17
This word is stuck like glue
On the space in between

And I try
Yeah I try to get it back
Yeah I try (Yeah I try)
Yeah I try but they're on attack

And I try
Yeah I try to let it go
Oh I try
But I'll never let it go

Losing eyeballs
Losing eyeballs (losing eyeballs)
Losing eyeballs (losing eyeballs)
Losing eyeballs (losing eyeballs)
Losing eyeballs (losing eyeballs)
Losing eyeballs
