

Alone (Radio Edit)

[Lasgo](#)

If only I had one more chance
to change my life today
Then I would never let you go
All my friends keep telling me
That I should leave you for a while
So you must show your love to me
And tell me what you feel
I thought that even you had feelings for me too
I know I was wrong
And baby when you care, then I will be there
By your side
And now I stand here alone in the dark
Without you
There's nothing more that I would like
Than be with you
I close my eyes but I can't stop
Thinking of you
And now I stand here alone in the dark
Without you
