

# Suburban Girlfriend

## Adult Books

We talk about it when i get done i need to get away.

When i get clouded i go to her house for a day.

I drive for hours i get so lost the streets all look the same.

I buy her flowers i draw a heart around her name.

I want a suburban girlfriend i want to meet her friends.

I want a suburban girlfriend cable tv in her bed.

I want a suburban girlfriend i want to meet her friends.

I want a suburban girlfriend i dont want to be in my head.

Drive to the market my car's unlocked i dont feel scared at all and when i park it i pull into a front row stall.

We catch a movie or frozen yogurt at the mall.

We dive for pool rings in pools heated into the fall.

I want a suburban girlfriend i want to meet her friends.

I want a suburban girlfriend cable tv in her bed.

I want a suburban girlfriend i want to meet her friends.

I want a suburban girlfriend i dont want to be in my head.
