No Reason

Against All Authority

It was never easy growing up with you
Your words & actions left me confused
The way you think about things makes the mad
You tried to teach me your version of bad
I never saw the reasons for your hate
I don't think you had one any way
Now I'm older, opinionated and I'm strong
So shut your mouth and listen to this song
Your way of thinking is fucking wrong
And I know I can't change you with this song
But maybe I can make you stop to think
We're all connected, you're just the weakest link
Conditioned to hate without a reason
I don't understand what you believe in
No color, no race, no religion, no creed
No reason to hate, why can't you see?
