

# Go Away Little Girl

Steve Lawrence

Go away, little girl, go away, little girl  
I'm not supposed to be alone with you  
I know that your lips are sweet  
But our lips must never meet  
I belong to someone else and I must be true

Oh, go away, little girl, go away, little girl  
It's hurtin' me more each minute that you delay  
When you are near me like this  
You're much too hard to resist  
So, go away, little girl, before I beg you to stay

Go away  
Please don't stay  
It'll never work out

When you are near me like this  
You're much too hard to resist  
So, go away, little girl  
Call it a day, little girl  
Oh, please, go away, little girl  
Before I beg you to stay

Go away
