

# Good Times

## The Rolling Stones

Whoa la la ta ta  
Whoa la la ta ta  
La la la all night long  
Want to tell you

Whoa la la ta ta  
Whoa la la ta ta  
La la la all night long

C'mon let the good times roll  
We're gonna stay here to soothe our soul  
It could take all night long

The evening sun is sinking low  
The clock on the wall says it's time to go  
I've got my plans I don't know about you  
I tell you exactly what I'm gonna do

Get in the groove and let the good times roll  
We're gonna stay here to soothe our soul  
It could take all night long

It might be one o'clock it might be three  
Time don't mean that much to me  
Ain't felt this good since I don't know when  
I might not feel this good again

So c'mon let the good time roll  
We're gonna stay here to soothe our soul  
It could take all night long

All night, all night  
All night, all night long  
Somebody said it might take all night long  
All night, all night whoa

C'mon let the good times roll  
We're gonna stay here to soothe our soul  
It could take all night long
