

Walking In the Shadow

Accept

All my fire ain't gone inside
Only with you I will survive
And I live in a shadow of this wall
With fifty-eight thousand all in all I surrender - I surrender
Heart'n'soul's gone to nowhere Walking in the shadow - walking in the night
Walking in the shadow - walking in the night For the very first time in your life
You've not been the last in line
You have to die instead of me
Do I have to live for you now Walking in the shadow - walking in the night
Walking in the shadow - walking in the night
In the night Walking in the shadow - walking in the night
Walking in the shadow - walking in the night
Oh yeah Walking in the shadow - walking in the night
Walking in the shadow - walking in the night
In the night in the night
