

# Wait A Minute (Just A Touch) Feat. Will.I.Am

Estelle

[Chorus]

Wait a minute, wait wait wait a minute,

Wait wait wait a minute, wait wait wait a minute.

Wait wait wait a minute, wait wait wait a minute, wait wait wait a minute.

Let me just wait a minute, let me just wait a minute, wait wait wait a minute.

Let me just wait a minute, wait wait wait. Just a touch, we can take our time you ain't got to rush you know,

Just a touch, if you wait a minute we'll do all that stuff you know,

Just a touch, baby boy lets make it special,

I'mma have it my way, right now you get just one touch. My loves so professional, just because were kissin'  
don't mean were undressin', no.

You ain't creepin' and suggestin' those freaky little things we could do cause the answers no.

Baby I got let u know, if and when the time comes for me nd you sex is slow.

Wrap it up cuz I aint carryin' your embreyo,

Your starin' at a women that would slap your ass to the fall.

You say I ain't right but you keep comin' back cause this girl is tight,

You ain't spendin' the night, uh uh after were done here its back to the wife.

Yeah I know it feels so nice, swing by for some love and then

Its so special all you get to get is just a touch. [Chorus] My loves on overload,

Don't mean to boast but a kiss would make you overdose.

Hold me tight, hold me close, turn out the lights,

Knock you out, boy your comatose

Boy your rockin' with the most, Estelle take you on a ride like a roller-coaster.

I heat it up like a toast, boy bring your body over, I know what to do,

Lay it down put the zoom zoom on you, you try'na play it cool,

You know you want it true like a baby do, come on,

Boy am through with you, get your shoes on cause am using you

Because its so special all you get to get is just a touch. [Chorus: x2]
