

# Scared of Love

Nate Dogg

I'm just a man  
I'm just a man  
I'm just a man  
Scared of love When they asked me why I don't like love  
Or why I don't have a lady  
Maybe it's because I know  
As soon as I tell her how I feel about her  
As soon as I act like I love her, she's gone I'm just a man  
(I'm just a man)  
Scared of love  
(I'm just a man)  
That's why I don't have a lady  
(I'm just a man, scared of love) I really was so into you  
But you don't know what I'm going through  
You say you really care for me  
But in love there's no guarantee So, I think I oughta take my time  
'Cause love ain't no friend of mine you see Don't let me get you too confused  
You're the friend I don't wanna lose  
If I made a choice, it's you I choose  
But my heart's a tad bit through So, I try to get you off my mind  
But a remedy I cannot find for you I'm just a man  
(I'm just a man)  
Scared of love  
(I'm just a man)  
That's why I don't have a lady  
(I'm just a man, scared of love) I'm never gonna try to find another  
I'm just out for mine  
I left so many far behind  
But traces you'll never find, no I can cover all my tracks  
Won't be nothin' gettin' back to you Now don't think that I'm being rude  
Because I won't commit to you  
And other women want to screw  
What's a player supposed to do So, I'll be slippin' on my hat  
I won't be bringin' nothin' back to you I'm just a man  
(I'm just a man)  
Scared of love  
(I'm just a man)  
That's why I don't have a lady  
(I'm just a man, scared of love) I'm just a man

(I'm just a man)  
Scared of love  
(I'm just a man)  
That's why I don't have a lady  
(I'm just a man, scared of love)
