

Lonely (feat. Jason Cameron of Bury Tomorrow)

Attack Attack!

My heart doesn't pull me the same
Oh all my carelessness is gone
And ya know my mind doesn't owe me the same
But girl my struggle goes on and on My soul wants to pull me away
But all this hopelessness has won
And all these dreams wanna take me away
But this feeling just makes me stay Lonely, I feel so lonely
Girl hold me, won't you just hold me
Lonely, I feel so lonely
Girl hold me, won't you just hold me It has taken me seven days
To realize that my time has come
And I never knew that I was gonna be the one to blame
Why is this taking me so long? Girl, you know I don't want to be alone
(You know I'll never find another like you)
So girl, you know I don't want to be alone
(You know I'll never love another like you) Lonely, I feel so lonely
Girl hold me, won't you just hold me
Lonely, I feel so lonely
Girl hold me, won't you just hold me Lonely, I feel so lonely
Hold me, won't you just hold me
All these signs try and pull me down
(My soul will go on)
All these signs try and pull me down
(My soul will go on) Lonely, I feel so lonely
Girl hold me, won't you just hold me
Lonely, I feel so lonely
Girl hold me, won't you just hold me
