

Lay Your Body Down

Poison

I've spent my life waiting
For that famous final scene
I believe the one
When she falls in love with me
As for you, you've been fakin' your smile
Fillin' your time on small talk, cheap wine
Knowing in your heart there was someplace
That you'd rather be
So right or wrong I wrote you this song
To tell you how I feel, don't put up no fight
You just turn off the lights
Walk over here to me
And lay your body down on me
Down on me, tonight, oh yeah
Oh, let your tears fall down on me
Down on me, tonight, oh yeah
As for me I've lied to, denied to, fight with
And tried to apologize for all my ways
To all the women yeah they're fool enough
To fall in love with me
You played your role like a movie
Got your lines for who is, who was, who would be
Somehow you lost track
While real love slipped away, yeah
So for tonight, just turn off the lights
And let those real feelings show
There's no wrong or right but until you try
You're never gonna know
And lay your body down on me
Down on me, tonight, oh yeah
Oh, let your tears fall down on me
Down on me, tonight, yeah, yeah
Before you was mine I was so lonely
Ain't it a shame
Heart must feel pain
Before you can get back on your feet again
So let's draw the blinds, forget wasted time
And let them old demons die
Take a hold of my hand then you'll understand
Why love's worth one more try
And lay your body down on me
Down on me, tonight, oh yeah
Oh, let your tears fall down on me
Down on me, tonight, oh yeah
Lay your love, lay it down, down on me
Down on me
