

# Moonlight Bay

## Dagobert

We were strolling along (twist and shout!)  
On Moonlight Bay (woo hoo!)  
We could hear the voices singing (I like it!)  
You said you'd stay  
You have broken my heart (oh, twist and shout!)  
So don't go away  
With your short and hairy legs  
On Moonlight Bay  
On Moonlight Bay

---
