Oh Darling (Acoustic Live In Studio)

Sahara Hotnights

By now I know you have fooled me
Do you know I feel fooled?
How could I let you rule me
And why did I trust in beady eyes
I held you closeBreakin' lose is not a problem for you
I was the fly in your fist
But you would set free in daylight
And I take off with small thin broke legs
I held you closeOh, sweet darling
You can buy my kisses and sell them again
Oh, my darling
Oh, you can steal feelings and then throw them awayAnd you should quit playing dirty games
It's not fair, you win 'cause you cheat and you know it
I had thought I had control
I seem to misjudge maybe every situation
I held you closeOh, sweet darling
You can buy my kisses and sell them again
Oh, my darling
Oh, you can steal feelings and then throw them awayAnd who are you to decide
When I am supposed to smile?
And you try, you try so hard, you try so hard, you try a lot
But you're a boy in a manYou're such an act, hard to get
When you're not, when you don't wanna be it
And I wish my wish was your command
I wish my wish was your commandOh, sweet darling
You can buy my kisses and sell them again
Oh, my darling
Oh, you can steal feelings and then throw them awayOh, sweet darling
You can buy my kisses and sell them again
Oh, my darling
Oh, you can steal feelings and then throw them away
