

# In Stereo

## Bomfunk MC's

When I listen to my stereo  
All I hear is a funky flow  
It really makes me lose control  
Bomfunk MC's in stereo, in stereo, in stereo  
All I hear is a funky flow  
It really makes me lose control  
Bomfunk MC's in stereoBut how right, but how right, but how rightCannot hide it, can't deny it  
It's so obvious you hope to hide it  
Like a pilot, you get a mic  
Boombox blasting like a siren  
Roar you're a mighty lion  
Roar when pumping the iron  
Roar one million strong  
Roar turn it up, come onBut how right, but how right, but how right, ow  
But how right, but how rightWhen I listen to my stereo  
All I hear is a funky flow  
It really makes me lose control  
Bomfunk MC's in stereo, in stereo, in stereo  
All I hear is a funky flow  
It really makes me lose control  
Bomfunk MC's in stereoBut how right, but how right, but how rightStar supremo, with the ill flow  
Got you yearning, turning reckless  
You don't understand but you still want to check this  
One to two to two to one techniques  
Busting the funk, freaking the funk  
Eating the funk, making it funk  
Loving the funk, falling to funk  
Yeah, so what's up punkBut how right, but how right, but how right  
But how right, but how rightWhen I listen to my stereo  
All I hear is a funky flow  
It really makes me lose control  
Bomfunk MC's in stereo, in stereo, in stereo  
All I hear is a funky flow  
It really makes me lose control  
Bomfunk MC's in stereoBut how right, but how right, but how right  
But how right, stereo, funky flow, lose control  
Stereo, stereo, funky flow, lose control  
Stereo
