Your Way

CCC Youth

There is nothing in this world like you
Your worth dying for my life I give to you
Every hope I have I lay it at your throne
I will follow you I won't do it on my own

I live your way
I am running forever with you
this day is your day
I am giving my whole life

for you lord...

There is nothing in this world like you
Your worth dying for my life I give to you
Every hope I have I lay it at your throne
I will follow you I won't do it on my own

Chorus x2

I live for you
I am giving you my whole life
giving you
I know the truth
I am letting go of my life
letting go

Jesus...Jesus...Jesus (x4)
