

# Your Way

## CCC Youth

There is nothing in this world like you  
Your worth dying for my life I give to you  
Every hope I have I lay it at your throne  
I will follow you I won't do it on my own

I live your way  
I am running forever with you  
this day is your day  
I am giving my whole life  
  
for you lord...

There is nothing in this world like you  
Your worth dying for my life I give to you  
Every hope I have I lay it at your throne  
I will follow you I won't do it on my own

Chorus x2

I live for you  
I am giving you my whole life  
giving you  
I know the truth  
I am letting go of my life  
letting go

Jesus...Jesus...Jesus (x4)
