

Whenever, Wherever

Shakira

Lucky you were born that far away
So we could both make fun of distance
Lucky that I love a foreign land for
The lucky fact of your existenceBaby I would climb the Andes solely
To count the freckles on your body
Never could imagine there were only
Ten million ways to love somebodyLe do, lo le, lo le
Le do, lo le, lo le
Can't you see?
I'm at your feet!Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dearThere over, here under
You'll never have to wonder
We can always play by ear
But that's the deal my dearLucky that my lips not only mumble
They spill kisses like a fountain
Lucky that my breasts are small and humble
So you don't confuse them with mountainsLucky I have strong legs like my mother
To run for cover when I need it
And these two eyes are for no other
The day you leave will cry a riverLe do, lo le, lo le
Le do, lo le, lo le
At your feet
I'm at your feet!Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dearThere over, here under
You'll never have to wonder
We can always play by ear
But that's the deal my dearLe do, lo le, lo le
Le do, lo le, lo le
Think out loud
Say it againLe do, lo le, lo le, lo le
Tell me one more time
That you'll live
Lost in my eyesWhenever, wherever
We're meant to be together
I'll be there and you'll be near

And that's the deal my dear There over, here under
You've got me head over heels
There's nothing left to fear
If you really feel the way I feel Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear There over, here under
You've got me head over heels
There's nothing left to fear
If you really feel the way I feel
