

# so high

## Sojah

Babylon, burn, burn, burn

Sojah representing

We dream of this wonderful time

Now we want a reality

Where we can smoke marijuana every day without noÃ¢; apologies And even when we eyes them red like blood,

Babylon can't pene we

Cause a da healing of the nation

And H.I.M. no want no aggravation Youthman step out inna Babylon face

Spliff in a we mouth and the chalice we a blaze

Smoke marijuana weÃ¢; get so high like birds in the sky we fly Watch how we do, burn a spliff

Whole a medi, [?] trail fi sendÃ¢; Babylon go cemetery

Where we mek we talk and try fi market

Always dem a try find the weed dem want fi stop it

So we roll the dutchie and we blaze up the kutchie

Try to load the weed and Babylon dem can't touch it

We want fi blaze every day

We nah give a fuck what Babylon man say Youthman step out inna Babylon face

Spliff in a we mouth and the chalice we a blaze

Smoke marijuana weÃ¢; get so high, like birds in the sky we fly Youthman step out inna Babylon face

Spliff in a we mouth and the chalice we a blaze

Smoke marijuana weÃ¢; get so high, like birds in the sky we fly Yo we burn the herbs and get high

Blaze it up in front of the policeman, ay

Ganja we a smoke but the coke we nah try

When dem ask you why tell them it was sent to I by The Most High

It was found pon Solomon grave and him a the wisest man

See the spliff inna mi hand youÃ¢; better try get one

We want nuff-nuff-nuff-nuff weed to go around

Yo, from Jamaica we ship a thousand miles Youthman step out inna babylon face

Smoke marijuana weÃ¢; get so high, like birds in the sky we fly Youthman step out inna babylon face

Spliff in a we mouth and the chalice we a blaze

Smoke marijuana weÃ¢; get so high, like birds in the sky we fly Babylon, burn, burn, burn
