

One More for Love

Five for Fighting

Baby, there's something on my mind tonight
There's a reason to believe we almost got it right
There's a fire burning in the firelight
As we roll on tonightThere's paper promises and alibis
There is certainly uncertainty in all our eyes
But as long as you are here, I'll be all right
As we roll on tonightSo you go out, I'll go on
If there's a doubt, we will be strong
As we go on singingOne more for love, my love
One more for loveThere's always blood to fill the heart betrayed
And there are children being born to every house that's raised
And we're getting closer to where we got it made
As we roll on tonightSo you go out, I'll go on
If there's a doubt, we will be strong
As we go on singingOne more for love, my love
One more for love, singingOne more for love, my love
One more for loveI'm never going to wait for anything
Never going to break for anything'Cause I am, one more for love, my love
One more for love
One more for love, my loveBaby there's something on my mind tonight
There's a reason to believe that we got it right
And all, and all you're all that's on my mind tonight
As we roll onOne more for love, my love
One more for love
