Letâ€™s Groove

Earth, Wind & Fire

We can boogie down, down, upon down
The boogie down, down, upon down
The boogie down, down, upon down
The boogie down, down, ...Let's groove tonight
Share the spice of life
Baby slice it right
We're gonna groove tonightLet this groove, get you to move
It's alright, alright, alright
Let this groove, set in your shoes
So stand up, alright, alrightGonna tell ya what you can do
With my love, alright
Let you know girl you're looking good
You're outta sight, alright
Just move yourself and glide like a 747
And lose yourself in the sky among the clouds in the heaven causeLet this groove, light up your fuse, its alright, alright, alright, oo oh oh
Let this groove, set in your shoes so stand up alright, alrightLet me tell ya what you can do
With my love, alright
Gotta let you know girl you're looking good
You're outta sight, alrightJust tell the DJ
To play your fav'rite tune
Then you know it's okay
What you found is happening now, ohLet this groove, light up your fuse, its alright, alright, alright
Let this groove, set in your shoes, so stand up, stand up, alright
Let this groove, get you to move, its alright, alright, alright, yeah
Let this groove set in your shoes, so stand up, alright, alright
You will find peace of mind on the floor
Take a little time, come and see, you and me
Give a little sign, I'll be there after a while
If you want my loveWe can boogie on down, down
Boogie on down, down
We boogie on down, down
We boogie on down, on down (boogie!)Let's groove tonight
