Throw It Back

Jonn Hart

Girl, show me what that thing do,
I want it all, don't stop, let it hang loose.
All them other girls bad but they ain't you,
If you twirk don't stop till you're hurt,
Let me see you throw it back.
Let me see you throw it back,
Let me see you throw it back,
Throw it all the way back.
Let me see you throw it back,
Let me see you throw it back,
Hey girl, throw it back.
()
Girl, show me what that thang do,
All these hoes mad cause they ain't you,
I love how their body move,
So confident, I can't blame you.
I try to chill, but that ass fat,
But she grinding on me like she have a heart attack,
Ain't never seen no one doing like that,
So I whisper in the ear can I have that?(Pre-)
Now you're twirking, baby, got me begging you for more,
And you drive a nigger crazy, how that ass drop to the floor.
()
Girl, show me what that thing do,
I want it all, don't stop, let it hang loose.

You're a pro, who coached you?
Doing things that you ain't supposed to
Damn, girl, who showed you
Cause you do it how I like it and I ain't showed you nothing.
Throw her hands up and throw her back,

Nice racks, slim waist, let me hold that,
That ass moved left and she bring it back
Clap, clap, clap, don't stop that.(Pre-)
Now you're twirking, baby, got me begging you for more,
And you drive a nigger crazy, how that ass drop to the floor.()
