

Louder (Flux Pavilion & Doctor P Remix)

DJ Fresh

I cant control this feeling
Something is happening inside me
Our senses come aliveThe chemistry is building
Is something that we're feeling
There's nowhere you can hideIt's gonna get, it's gonna get, it's gonna get louder
We're gonna get, we're gonna get, we're gonna get stronger
I gotta feel, gotta feel, gotta feel better
You can't turn this energy insideIt's gonna get (x14)
It's gonna get louder!Dirty bitIt's gonna get louder!Dirty bitIt's gonna get, it's gonna get, it's gonna get
louderDirty bitIt's gonna get, it's gonna get, it's gonna get louder
We're gonna get, we're gonna get, we're gonna get stronger
I gotta feel, gotta feel, gotta feel better
You can't turn this energy insideIt's gonna get (x6)
It's gonna get louder!Dirty bitIt's gonna get louder!Dirty bitIt's gonna get, it's gonna get, it's gonna get
louderDirty bit
