

# Pika Girl

[S3RL](#)

I wish that we were on TV  
Just like in Pokemon  
You'd be a Pika-girl, In the Poke world  
Yes, life would be so fun!  
I'd be a trainer boy, and I would make the choice  
To go and search for you!  
I'd throw my pokeball, and I would catch them all  
You'd be my Pikachu! (Pi-Pikachu!!) You're my pika girl, In the poke world  
Oh, I won the gym badge, but you won my heart (pika!)  
Pika girl, In the poke world  
And now that I've got you, we can never part (chu)  
The pokeball in my life's open for you (pika!)  
You're my pika girl, In the poke world  
Just like in Pokemon!! (pi-Pikachu!!) You're my pika girl, In the poke world  
Oh, I won the gym badge, but you won my heart (pika!)  
Pika girl, In the poke world  
And now that I've got you, we can never part (chu)  
The pokeball in my life's open for you (pika!)  
You're my pika girl, In the poke world  
Just like in Pokemon I'd bring you sweets, like rare candies,  
Level up your love to give,  
And then you'd use right then, a sweet kiss TM  
Super effective!  
Not even the Elite Four could stop us ever more  
Together we can't fall  
Our bond would never break, and there'd be no mistake  
Our love would conquer all! You're my pika girl, In the poke world  
Oh, I won the gym badge, but you won my heart (pika!)  
Pika girl, In the poke world  
And now that I've got you, we can never part (chu)  
The pokeball in my life's open for you (pika!)  
You're my pika girl, In the poke world  
Just like in Pokemon You're my pika girl, In the poke world  
Oh, I won the gym badge, but you won my heart (pika!)  
Pika girl, In the poke world  
And now that I've got you, we can never part (chu)  
The pokeball in my life's open for you (pika!)  
You're my pika girl, In the poke world  
Just like in Pokemon
